Re: Request for copy of Building Plan

Dear \_\_\_\_\_:  
(Licensed Professional and Building Owner)

The city of Ontario has received a request for the duplication of official copies of building plans. Pursuant to requirements of Health and Safety Code § 19851, the permission of the professional who signed the plans, and the original or current owner of the building, is required before the plans can be duplicated. The specific plans involved in this request for duplication are listed on the attached Affidavit.

Please consider this registered letter the statutorily required format request for your permission to all the duplication of plans identified on the Affidavit. As required by State Law, we have enclosed a copy of a declaration signed by the person requesting the copy. The declaration contains language limiting the use of any copy of the plans and acknowledgments of certain limitation on the use of any previously-prepared plans. We have also provided space below for your signature of release and license number. **Please sign, complete and mail this form to the Building Department, City of Ontario at the address listed or FAX the form to (909)395-2180.**

Please also be aware the Sate Law requires your response to this request within thirty (30) days and limits your ability to refuse to give you permission for copying of the plans. Any questions you have regarding these provisions of law should be directed to legal counsel. For your convenience, a copy of Health and Safety Code § 19851 is attached.

Thank you for your time an attention to this matter. We look forward to hearing from you within thirty (30) days from the date of this letter.

Respectfully,

**Building Department
